RECENT EXPERIENCE

SHELLY WHITMAN ASSOCIATES | Marketing Research Intern
February 2025 - August 2025 | PHL, US

- Assisted in creating in-depth marketing research reports analyzing 50–60 businesses per sector within the Philadelphia Metro Area, including website, social media, and review site evaluations.
- Compiled and summarized business profiles, market trends, and competitive benchmarks into clear, actionable insights for clients, governments, and data brokers.
- Utilized research and analytics tools such as Ahrefs, Google Analytics, Google Lighthouse, META Business Suite, and NapkinAI to assess digital footprints, create visual data presentations, and maintain organized datasets.
- Collaborated with team members during weekly meetings to align research findings, refine methodologies, and ensure consistency across all reports.
- Contributed to case study development by gathering additional business insights through interviews, enhancing the depth and credibility of final reports.

INSTAGRAM | Freelance Photographer & Digital Creator
March 2023 - March 2025 | PH

- Created brand-aligned email copy, website content, and full creative campaigns for clients in fashion, wellness, travel, and lifestyle. This included concept development, visual planning, photo shoots, and final asset delivery.
- Researched brand voice, customer psychology, and industry trends to develop copy and visuals that strengthened storytelling and kept the brand identity consistent.
- Produced and curated street photography for a personal blog and Instagram portfolio, using it as a creative diary and a way to refine visual storytelling for both client and passion projects.

UST INFORMATION SYSTEM SOCIETY | Public Relations Lead
October 2023 - December 2024 | PH

- Planned and implemented communication strategies for the organization's key events and milestones, writing engaging email newsletters and campaign messages that encouraged stronger member participation.
- Created tailored captions, publication materials, and visual content that matched the organization's tone and brand identity, ensuring a consistent and professional image across all platforms.
- Managed and deployed email marketing for internal announcements and external promotions, while working closely with teams and partners to keep messaging clear, cohesive, and aligned with event goals and timelines.

MANCINI WATCHES | Copywriter
July 2020 - May 2022 | UK

- Wrote and executed over 300 email and SMS marketing campaigns, including promotional launches, storytelling sequences, and behavior-triggered flows, ensuring every message was timely, relevant, and conversion-focused.
- Increased overall store revenue by more than 20% through emotionally resonant messaging tailored to the lifestyle, values, and purchasing habits of older male customers, while building and optimizing automated lifecycle flows such as welcome series, cart recovery, post-purchase, and win-back.
- Used A/B testing, performance metrics, and customer feedback to refine subject lines, copy structure, and CTA placement, improving open and click-through rates while maintaining a consistent brand tone that reinforced Mancini's trustworthy and aspirational image.
